

WAISAL

The purpose of the WAISAL is to provide a venue for students from member schools to compete or gather in an environment that is safe, challenging, professional and educational. Each student is given the opportunity to demonstrate her/his best ability while maintaining a spirit of respect and co-operation with fellow students from various international backgrounds.

International School of Ouagadougou Hosts:

WAISAL Middle School Co-Ed Volleyball Tournament and MATHCOUNTS® Competition

March 13-17 2013

WAISAL Welcome

Welcome to the following schools

American International School of Lagos
International School of Dakar
International School of Ouagadougou
Lincoln Community School

This weekend is filled with a number of firsts for ISO and WAISAL. This is the first time MATHCOUNTS® has been hosted by the ISO and this is the first middle school co-ed volleyball tournament in WAISAL's history. It is an honor to host these combined events and we hope you enjoy the activities we have planned. Let's start the competitions!
